Those who have read Trevelyan's Early Life of Charles James Fox and their memoirs of that period will remem-ber numerous references to the profligate Earl of Sandwich, but many persons may have forgotten under what circumstances he invented the combination of bread and meat which bears his name the world over. Sandwich was a member of the Hell Fire Club and played high. On one occasion, when for twenty-four hours he was too engroused to leave his seat at the gambling table, he ordered a waiter, by a happy inspiration to bring him, from time to time, slices of meat placed be-tween slices of bread. The idea took in the clab and immortalized the Earl of
